

## Supplier Declaration of Conformity to European Union Directive: 1907/2006 - REACH

The European REACH Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH), entered into force in June 2007, and affects all companies producing, importing, using, or placing products on the European market. The aim of the REACH regulation is to ensure a high level of protection of human health and the environment from chemical substances.

This Declaration of Conformity represents that based on all available information known to Corvalent up to this date, all duties under the European Union regulation no. 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) regarding the disclosure of Substances of Very High Concern (SVHC) according to Article 59(10) of the regulation with respect to the below identified products have been fulfilled.

Corvalent Corporation's products/articles, do not contain any of the **Substances of Very High Concern (SVHC)** included in the Candidate List of substances of very high concern, issued by European Chemical Agency (ECHA), last updated on January 2021, at levels equal or above 0.1% by weight.
